Re: CS Docket No. 97-80

Dear Ms. Dortch:

On Friday, May 25, 2007, William Check, Senior Vice President, Science & Technology, National Cable & Telecommunications Association (“NCTA”), Paul Glist of the law firm Davis Wright Tremaine, Kevin Leddy, Senior Vice President of Development at Time Warner Cable, Mark Coblitz, Senior Vice President of Strategic Planning at Comcast, and I met with Rudy Brioché, Legal Advisor to Commissioner Adelstein. We discussed NCTA’s November 30, 2005 DCAS Report, the November 7, 2006 filing by certain consumer electronics (“CE”) and IT companies addressing issues regarding two-way “plug-and-play” devices, and our December 11, 2006 filing in response.

If you have any questions, please contact the undersigned.

Respectfully submitted,

/s/ Daniel L. Brenner
